402/423-8001

Art Craft, Secy-Tr.
3401 Grimsby Lane
Lincoln, NE 68502
402/423-9675

APRIL MEETING: The April meeting will be held in the Instrumentation Specialties Co. lunchroom, 4700 Superior, on Tuesday, April 5 at 7:30 p.m. Use the west parking lot and entrance to the building. The movies from EAA, "Engine Cooling Systems" and "Stress" will be shown. If anyone has a 16mm sound projector we can use for the meeting, please give me a call.

The attendance at meetings has been running about 25 or 30, which is a good turnout, but I feel it could be better. We have a full and interesting agenda for the April meeting, so lets all make an effort to attend and bring a friend.

NEWS UPDATE: My apologies to George Wright who is active on the program committee but was not included in the March newsletter.

The program committee has really gone to work. The May meeting will be a fly-in/drive-in picnic at Pestors Skyranch Airport, 124th and Holdrege (3 miles east of 84th on Holdrege). The picnic will be May 15th, starting at 3 p.m. with dinner at 5 p.m. Each family is asked to bring a salad, chips or beans, hamburgers or hot dogs, buns and drink for your family plus one. The club will supply the charcoal and grills. We plan to honor some of our Lincoln aviation pioneers as our guests at the picnic. Don't miss this one!

If anyone has slides and/or films of past Oshkosh fly-ins, contact Bill Sheahan at 464-6476. These are needed for the June program entitled, "Oshkosh Highlights". More on this one later.

Enclosed with the newsletter is an EAA survey for those of you who were not at the March meeting. Please complete this form and bring it to the April meeting, or mail it to me, so we can send them to EAA headquarters.

I have received a confirming letter from headquarters that Lincoln has been added to the itinerary for the Lindbergh Commemorative Tour. Lincoln will be stop #43 and the "Spirit of St. Louis" replica should be here about August 13. Dan Babcock will act as Tour Chairman/Coordinator for this area. He will work directly with headquarters on arrangements, etc. for the tour. If you desire to participate in this effort, contact Dan.

NEWS UPDATE (Cont.): We still have a few people who have not renewed their memberships. If you know someone who is a member and has not been attending, contact this person and urge them to attend and lend their support to the Chapter. I feel that we have come a long way in one short year, but I see a lot of daylight ahead. With everyone's support, we'll make this the best Chapter going.

For you Piper owners, the FAA has issued a mandatory AD, 77-01-01, against the fuel gauges in PA-28's through PA-32's.

NEW MEMBERS: We have 2 new member:

Joe Downey	Terry Holsclaw
4421 Kirkwood	5301 Irvin
Lincoln, NE 68516	Lincoln, NE 68504
489-4250	

Please add Joe and Terry to your rosters.

FOR SALE: "Pitts" project. Includes plans, welded fuselage, gear and tail feathers, dynafocal mount for Lycoming 180, wheels and brakes, and all wood. \$700. Contact Frank Lederer at 470-2441.

NEWSLETTER & MEMBERSHIP INFORMATION: Remember, your input to the newsletter is a necessity if we are to have an outstanding publication. Guests are welcome at two meetings and are then invited to join. Dues are \$12 and membership in National EAA is encouraged, but not mandatory.
