AUGUST 1983 NEWSLETTER

AUGUST MEETING: Our august meeting will be held on **MONDAY, August 1st** at Oshkosh, Wisconsin. As usual, we will have a chicken dinner courtesy of \$3.00 and Colonel Sanders right after the airshow. We will hold the picnic at the Chapter 80 campsite. Since there will be no signs directing you to the picnic area, I have enclosed a map for navigational purposes in order to help you find us. Please note! In order to get your chicken dinner, you must sign up at one of two places. Either at Barry Daniels' Ercoupe (it's the one with the candy apple paint job that when you walk by you'll need sun glasses), or Harlo and Jim's explosafe booth. You can pay for your dinner when you get to the picnic and I just used \$3.00 for a reference as it may be a bit more or less.

Chapter 80 has also said we can use their message boards to leave messages if we want to. Once again the message boards will be at the Ercoupe and one at the Explosafe booth in the exhibition hall. I'll see everyone up in Oshkosh.

JULY MEETING: Our July meeting was held on Sunday July 17th at Bongers Sky-Ranch in David City. Our host was Mr. Leo Bonger and Lonnie Davis who set it up for us. Once again we had a very nice turn out and unlike Seward, we had a nice day. We spent the afternoon viewing thousands of antique items including cars older than Bill Sheehan and Ed Garner. There were 1901 to 1970's vintage cars, hundreds of old tractors, threshers, motorcycles, clocks, butter churns, etc. etc. Mr. Bonger darn near has himself another Pioneer Village.

I want to thank everyone who attended and especially the wives who so to all the work of preparing the food. For those of you who didn't attend, you missed out on not only the antiques but Mrs. McKinty's grape pie.

Special thanks to Lonnie Davis who set the tour up and of course to Mr. Bonger who was so gracious in letting us to through his museum. Bongers' Sky-Ranch is directly across the road from David City Muni and it is what a real airport should be. Drop in and see it sometime.

This will be a short newsletter this time as we have'nt much time to set it out before Oshkosh. I'll see everyone at Oshkosh!

Last months Mystery Airport was Falls City Municipal, Ed Garner Operator-Manager.
