June Meeting

The program committee has lined up a fine picnic for our June meeting. The picnic will be Sunday, June 4th at Bethany Park (66th and Vine), starting around 2:00 PM with dinner at 5:00 PM. Bill Sheahan has reserved the shelter for the chapter so that the picnic can be held rain or shine.

Bill is asking each family to bring: hamburgers or hot dogs and buns, salad or beans or desert, drink and dishes enough for the family. The chapter will have gas grills available and the shelter has plenty of tables with benches for all.

Upcoming Film on Biplanes

The Lincoln Parks & Recreation Dept. will be showing a film entitled "Biplane Flying" at the Chet Ager Nature Center (SW Area of the Park), Pioneer Park, on May 27 & 28. Showings will be at 2:15 and 3:15 PM on those days. The film is free.

Chapter 569 Fly-out

We are now making plans for our first fly-out. We will be lining up as many chapter 569 members as possible to fly and ride to the Stinson flyin at Minden, NE. on July 16th. Since I will be out of town on June 4th, I am asking Bob Murray to pass a sign-up sheet around at the picnic so we can see who can fly and who will need a ride to this flyin.

A Clubhouse For Chapter 569

After an extensive discussion at the last meeting, the chapter decided to accept the offer extended by Owl Aviation to use the house located on Arrow Air Port as a clubhouse for the chapter. To repay Owl Aviation for the use of the house, the chapter is paying a painter to scrape and paint the east wall of the hanger at the airport. Since the wall is nearly 30 feet high, and since the chapter doesn't carry insurance for it own members, it was decided to have the wall painted. The total cost to the chapter will be around \$500.00.

President Murray stated that this will give us access to a real nice club house at a very reasonable cost, but the \$500 expense will deplete about $\frac{1}{2}$ of our treasury. To help replenish the treasury the chapter is asking its members for donations of a few bucks (but no more than \$10). Do not feel that such a contribution is manditory, but would be appreciated. Bob will be setting a date for the fix-up-paint-up date for the clubhouse at Arrow Air Port.
