## President's Two Cents Worth

Apologies are in order for not getting out a May Newsletter. I realize being busy is no excuse, but before I knew it, there wasn't any time remaining before the May meeting. Don Mosher graciously offered to be at the clubhouse at the regular time, first Tuesday of the month at 7:30 pm. Four members did show up - Eldon Kreimer, Jerry White and Browning Robertson - and of course, Don Mosher. Thanks Don for making the long trip.

We certainly don't anticipate failure to put out a newsletter in the future but be assured we will always have a meeting the first Tuesday at 7:30 pm at the clubhouse. Please accept my apologies for the oversight, it won't happen again.

## Visitors From Other Chapters

Visitors from Chapter 80 at our April meeting were Berry and Janet Daniels. We appreciated their taking the time to visit us and perhaps some of us will see them again at their Chapter Fly-In in June. Check Coming Events.

## Sister Chapters

We are now exchanging newsletters with Chapter 80, Omaha, Dennis Hopkins, President; Chapter 544, Hastings, Les Harms, President. Thanks Dennis and Les for your cooperation in this regard. Newsletters from these two chapters will be posted on our bulleting board. They are well written and contain some interesting items. I'm sure you'll enjoy reading them too.

## Membership

We prepared a new membership list with current addresses and phone numbers of all members paid as of May 1st. If you are not on the list, please let George Wright know about the oversight and it will be corrected. A copy of the list as we have it is enclosed.
