OSHKOSH 1978:

Yes, its time to start thinking about the annual EAA Flyin at Oshkosh. Bill Sheahan would like to organize our EAA chapter at Oshkosh. If you know the dates you will be at Oshkosh, and if you plan to stay at the dorms, then bring your plans to the meeting and maybe we can reserve a block of rooms on one floor for the chapter. Secondly we need to plan a get-together at Oshkosh for all chapter members, and therefore need to know when you will be attending.
