MAY MEETING: Remember there is no business meeting this month, it's all fun. Let's all plan to attend our first drive/fly-in picnic, to be held at Pester's Skyranch Airport (124th and Holdrege). The get-together will begin at 3:00 on Sunday, May 15th, with a pot-luck picnic dinner at 5:00. Each family is asked to bring enough food (salad, chips or beans, hamburgers/hot dogs and buns) for that family plus a little extra. The club will furnish drink and the grills.

Be sure to bring your lawn chairs, and a folding table if you have one. This will be a great chance for our families to get acquainted and for us fellas to do some serious hangar flying.

NEWS UPDATE: The films we had at the April meeting were a little old (circa WWII), but quite informative.

The evening was topped off by a surprise birthday cake for Rollie Woodruff and liquid refreshments supplied as usual by Mary Woodruff and her daughters. The chapter owes Mary a big vote of thanks.

There's been no news yet on details of the "Spirit" flight; but we'll pass it along as soon as we hear. The aircraft that will accompany the "Spirit" will be the 1932 Stinson SM8A from the EAA Air Museum.

Chapter 455 is having its 5th Annual Fly-In and Air Show on May 21-22, 1977 at Woodring Municipal Airport, Enid, OK. If anyone is interested, I have the schedule and other information. Give me a call or I'll have it at the picnic.

NEWSLETTER & MEMBERSHIP INFORMATION: Remember, your input to the newsletter is a necessity if we are to have an outstanding publication. Guests are welcome at two meetings and are then invited to join. Dues are \$12 and membership in National EAA is encouraged, but not mandatory.
