MAY NEWSLETTER

This newsletter is being sent out a little early so you will have a chance to make plans for a couple of events coming up soon. Read on!

MAY MEETING: The next meeting of Chapter 569 will be on Tuesday May 5 at 7:30 p.m. in the second floor conference room of Lincoln Aire. A couple of aviation films will be shown, one from Piper and the second from the FAA film library.

CHAPTER EMBLEM: Here's a chance for all you budding artists and designers to try your talents on a jacket patch design for Chapter 569. Those of you at our April meeting saw a sampling of a half dozen concepts for a chapter patch. Bring your sketches to the May meeting and we will vote on a design. Hopefully we can have patches back in time for Oshkosh which can be sewn on your EAA jacket of flying suit.

LINCOLN PILOTS ASSOCIATION - has an interesting film planned for their May 19th meeting. The film produced by ALCOR is about fuel economy and proper leaning techniques. The meeting will be held at 7:30 p.m. in the second floor lunch room at Duncan Aviation. EAA members have been invited to attend.

CHAPTER PICNIC: Due to a general lack of enthusiasm by chapter members in supporting a mini-Oshkosh Fly-in weekend at Beatrice Airport in September we are abandoning any further attempts at promoting this event. Instead, we are planning a chapter picnic Sunday, May 17th at the Seward Airport from 11 a.m. until dark. The chapter will provide hamburger, hot dogs, and imported Wisconsin bratwurst and appropriate buns. Iced soda pop will also be available. To cover expenses a nominal fee of \$1.00 per person will be charged. We would appreciate it if attendees would bring a dish to pass and their own table settings. The chapter will provide paper plates, condiments, napkins and a guarantee of good weather. An invitation has been extended to neighboring EAA chapters to fly-in or drive-in for an afternoon of food and fun. Hope to see you there!
