Lincoln, Ne 68506

OCTOBER NEWSLETTER

OCTOBER MEETING: The October meetings of EAA Chapter 569 will be held Tuesday October 7 at 7:30 p.m. in the second floor lunch room of Duncan Aviation. We will try again to show slides of Oshkosh '80. This time we'll have a spare bulb for the projector so bring your slides to this meeting.

SEPTEMBER MEETING: Thanks to Harlo McKinty for a most interesting film and presentation on Explosafe. Those of you who missed this meeting should get in touch with Harlo to learn more about this fuel tank filler that can greatly reduce the hazard of fire or explosion. Explosafe belongs in every fuel tank. It can save lives, maybe yours.

Thanks also to Jim Smisek for opening his hangar to our group to view his award winning Scorpion helicopter.

'81 OSHKOSH RESERVATIONS: Copies of the reservation form accompany this newsletter. If you are planning to go to Oshkosh next year, now is a good time to submit your application. Rather than mailing it to Wisconsin, bring it to the next meeting. Forms will be collected and turned over to a U of Wisconsin representative who will be in town to watch the "Big Red" dominate another football contest.

CHAPTER OFFICERS: We have received a reminder from national headquarters suggesting that we ask for nominations for chapter officers for next term during our September meetings. Elections are to take place during the October meetings. All officers must be current full members of EAA International.

OSHKOSH '80 ESTABLISHES NEW RECORDS -

Attendance: Estimated at 425,000, up 22% from 1979.
Aircraft: 10,000+ including 1543 registered show planes.

MEDAL FOR BRYAN ALLEN: The House of Representatives has approved a bill providing for a gold medal to be presented to Bryan Allen for his man powered flight across the English Channel. Bronze reproductions of the medal will be made available to the public to finance the presentation.
