SEPTEMBER MEETING: The September meeting of EAA Chapter 569 will be held on Tuesday September 1, 1981 at 7:30 p.m. at Lincoln Aire. Duane Funk is scheduled to have a program on sailplanes. This promises to be an interesting evening so hope to see you Tuesday evening.

HASTINGS FLY-IN: Chapter 544 of Hastings is sponsoring a fly-in on the weekend of September 11-13. Members of Chapter 569 are invited to attend this event so here is an opportunity to enjoy a weekend of good clean fun and fellowship.

CHAPTER 569 LOOSES PRESIDENT: For those of you who have not heard the news, our chapter president John Camden has moved back to the eastern part of the country to accept a job back there. I'm sure he will be missed by us all and that we wish him the best of luck. We also appreciate his contributions to Chapter 544 for the last year and a half that he has served as president of our chapter.

OSHKOSH '81 - has come and gone. Again Chapter 569 was well represented by our members. The annual picnic was held on Monday night and enjoyed by all. We hope that at future meetings some of our members will share their photographs and stories of the aviation event of the year.
