Your newsletter is quite short this month! Wally Peterson and Tom Werner are both out of town and I have become so obsessed with my Glasair project that a couple of hours to prepare a newsletter is just too much time out of the shop.

The important (only) news this month is that we will meet on the second tuesday, September 10th, to avoid meeting so close to Labor day. Instead of a routine meeting, we have planned another tour of airplane hatcheries. Our evening will begin at 7:00 P.M. with a stop at:

Roger Aspergren's (Kitfox)
4001 S.W. 84th Street, Denton
(Straight south of Emerald between Van Dorn and Pioneer,
west side of road. Mail box sits on an old fire plug)

then to:

Al Spaulding's (Sonera, Tailwind)
21111 S.W. 14th Street
(One and one-half miles south of Sprague, brick house on
west side of road. Sprague is 2 south and 2 west of the
intersection of Highway's 33 and 77)

and then to:

Al Cherry's (Helicopter)
Route 1, Box 101E, Firth, or 4300 Princeton Road
(Proceed south on HW 77 to a point 1/4 mile south of
Princeton, then turn left across the railroad tracks and go
1/10 mile, then turn left again and go east for 2.25 miles
and look for a house with a windsock and 5 large orange
balls on the powerline.

Finally, after telling stories and swapping dreams I expect that we will proceed somewhere for goodies and more stories, but I do not know what if any arrangements have been made.

Come and enjoy the fun!

Ray Supalla,
Secretary/Treasure
