SPEAKER/ ENTERTAINMENT

Jerry Penry

Jerry has researched the events of World War II for over twenty years and has interviewed many veterans from all branches of the military. Jerry has authored three books relating to WWII - *The Sunrise Serenade*, *Down in Charlotte*, and his latest book *Nebraska's Fatal Air Crashes of WWII*. He has helped veterans record their personal biographies relating to the war, and has been published in various newsletters and magazines. Jerry has a degree in land surveying from Southeast Community College at Milford, Nebraska. He is a licensed land surveyor and has been active in documenting the historical aspects of surveying in Nebraska. He is a lifelong resident of Nebraska and currently lives in Milford.
