MARCH 1990 NEWSLETTER

The next meeting of EAA Chapter 569 will be held on Tuesday, April 3rd at 7:30 PM at Cobbler Inn, Shoemaker's Truck Stop, N W 48th & "O" Streets, Lincoln, Nebraska. The Refreshment Committee for this meeting will be: Jim Stevens (in charge), Don Shoemaker, Dwight Snyder, George Stout, and Jim Troidl. Servers for May meeting will be: Kermet Wenger (in charge), Rollie Woodruff, George Wright, Roger Aspergren, & Andy Bajac.

We had hoped to have Larry Craig from the FAA give us a talk of flying savety, but he was unable to come. We will have two films from Dick Miller's collection. Don Shoemaker will up-date us on the progress of the new airport. It should be a very interesting and entertaining evening.

I am inclosing a copy of a photograph of the instrument panel of the Spirit of St Louis as it looked when Lindy took off for his famous flight. How would you like to take off and land a horribly overloaded plane with only a periscope to see out ahead of the plane? He also had to use a mirror to view the compass. I believe this would make the compass appear to rotate in the opposite direction than normal. Also note the some 11 or 12 fuel valves to monitor. Of course, I guess there was not much scenery to look at, so maybe this was to keep him awake for the 33 long hours?

I am also enclosing a copy of our current paid-up members. Your address label should have a capital letter above your name. The M indicates a paid-up member, the C a complimentary copy, and the V a visitor. We normally send our visitors two complimentary copies. If you have been a member last year, and do not have an M, C or V above your name, this will be the last copy you will receive unless your dues are paid for this year. (Of course all errors are subject to correction. We do try to have something for everyone, so now and then include one, so you won't be disappointed.) Please don't let us write you off, as we need you and you need us, but it does cost money to mail.

MINUTES OF MARCH MEETING

The meeting was called to order by President Clay Champoux at 7:45 p.m. at Shoemakers Cobbler Inn. 22 members were present and 8 guests.

Guests and new members were introduced. Minutes and treasurers reports were approved as printed in the newsletter.

Gary Fett, a supervisor at the Lincoln Control tower was introduced and gave an interesting talk on operations at the Lincoln Tower. He entertained questions from the group at the completion of his presentation.

The 50/50 drawing was conducted and won by Norm Sell. Norm generously donated his winnings to the chapter treasury.

Don Shoemaker update the membership on the progress of the proposed general aviation airport at 134th and Hwy 2 and encouraged anyone that was available to attend the public hearing before the city/county planning commission scheduled for that week.
