AUGUST/SEPTEMBER 1989 NEWS LETTER

The next meeting of EAA Chapter 569 will be on Tuesday, September 5, 1989 at 7:30 PM, our regular meeting night, and the day after Labor Day. We will meet at "Cobbler Inn" at Shoemaker's Truck Stop, NW 48th & "O" Streets, Lincoln, Nebraska

The program will be "Oshkosh 1989." Those of you who attended Oshkosh, please bring your snap shots to show and report on any of the seminars that you attended, or workshops you participated in. Let's make it a learning session for those of us who could not attend.

The refreshment committee will be James Debus (in charge), Bob Dinkel, Charles Ferguson, Jim Fix & Ed Garner. For October, the refreshment committee will be: Steve Green (in charge), Bill Hamilton, Dick Hansen, Wilbur Hansen, and Terry Holsclaw.

Jerry Carlson has reported that all of the trophies for the "Wahoo Fly In" are in. Jerry has done a lot of work, made several trips to Wahoo and Omaha, and a good many phone calls to Mike Howard and others to put this together.

MINUTES OF JULY 9, 1989 MEETING

The minutes of our July picnic meeting are brief. The minutes of our last meeting and treasurer's report were approved as printed. A report of the status of the Wahoo Fly In was made by Jerry Carlson. There was lots of very good food, as we have a lot of wives who are excellent cooks. Counting children, there were close to sixty at the picnic and every one had a good time and a lot of hangar-flying took place.

I read where Turner Broadcasting Company is going to re-run the program, "Reaching For the Skies," starting September 12. Check your TV schedules and maybe it will be on cable this time. I understand it is a series and totals 12 hours.

Have you heard about the student pilot who:

Thought a "trim tab" was a low-calorie soft drink!

Thought a low-wing plane was a Cessna which had made a hard landing!
