JANUARY 1990 NEWS LETTER

The next meeting of EAA Chapter 569 will be held on January 2, 1990 at "Cobbler Inn" at Shoemaker's Truck Stop, N/W 48th & O Streets, Lincoln, Nebraska.

Our program will be a discussion on the proposed new "General Aviation Airport" designed for the home-builder, antique, tail-dragger, tricycle, light-weight, single-engine and including heavy, twin-engine aircraft. In other words, any aircraft which can get in and out of a 3800' grass strip. We need your input on ideas and suggestions to make it a fun, relaxing, educational, and desirable place to spend your spare time. We want to make it a home away from home. If time permits, there will be a film available to show.

The refreshment committee will be Terrence L Kubicek (in charge), Tom Lutze, Terry Majewski, Wayne Martin, and Harlo McKinty. In February, the refreshment committee will be Bill Mueller (in charge), Ken Mueller, Ted Oehlert, Floyd Olson and Dick Miller.

There are still nine (9) 1990 EAA calendars available.

MINUTES OF MEETING DECEMBER 3, 1989

The minutes and treasurer's report for November were approved as written. Old business was quickly taken care of as everyone wanted to get into the "New Business," which was our "Christmas Party," consisting of a nice buffet dinner, the "Alligator String Choir," and "Jim Fix Aviation Antics." A good time was had by all.
