Lincoln, Ne. 68506
Phone 489-8373

JULY 1985 NEWSLETTER

NEXT MEETING: There will be **no July meeting** of EAA Chapter 569 due to the close timing of our normal meeting day to the July 4th holiday and vacation time for some of our members. The next meeting will be on August 13, the second Tuesday of August rather than the first to allow everyone time to get back from Oshkosh. This meeting will be a tour of members' projects. There will be more details of this coming meeting in the August Newsletter you will receive before the next meeting.

OSHKOSH PICNIC: We will again have the fried chicken picnic at Oshkosh. All those who wish to take this in should sign up at the Temprafoam-Explosafe booth at Oshkosh.

SEWARD FLY-IN: All who attended were rewarded with seeing some very nice aircraft. Some of the aircraft one had an opportunity to see were a couple of Globe Swifts, a Waco, a Stearman, a T-34, and a Bamboo Bomber to mention just a few. Some of our own members received special recognition; Jim Stephens received a trophy for best homebuilt and Bill Sheahan received a very special award. If you weren't there, ask him about it, I'm sure he would be more than glad to tell you about it.

We'll have more about the fly-in in the next newsletter.

Ted Oehlert
